### The Lebanese Standards Institution

Invites you to attend the

### “ISO 9001 Introductory”

Training course

Under the *Quality Management Training Program*  
offered by LIBNOR training centre

**Date & Time:** 31<sup>st</sup> March -1<sup>st</sup> April 2016; 2 pm -6 pm

**Location:** Libnor Training Centre

**Trainer:** Mr. Mohamad Chamas

#### **Pre-requisites:**

This course is suitable for executives, managers and division leaders in charge of the planning and implementation of systematic and efficient operations in their institutions, in addition to personnel who may be involved in the development of quality management systems.

#### **Course Overview**

This course introduces the requirements of the ISO 9001 quality management system.

It is designed for persons interested in expanding their knowledge in the field of quality management and understanding the benefits ISO 9001 can bring to the organizations

#### **Course Objectives**

Upon completion of this training, delegates will be able to:

- Identify the requirements of a Quality Management System in conjunction with the ISO9001 standard chapters
- Recognize the key processes involved in the quality management system
- Understand the steps needed to implement an ISO9001 system and get their business certified

#### **Charges & Fees**

Free of charge
